Julie Oppenheimer

Dear Julie,
Have a good summer and a nice Senior year. I know we'll make it to the Superbowl the first L.A. Don't study your sphon do hard! You're a really nice girl w/ a good personality and interests to match. Have a good life.
Love Jon Arthur

To Julie, we is almost the end of the year, and the end of H.T.H.S. Game, I wish we would have had a class (class together, when I get my wisdom teeth out you better come visit me OK; Take care, have a good session year. Love Steve

Dear Julie,
I can't really say what they usually say: Algebra was great or whatever. 'Cause it wasn't! But I guess if it weren't for this class we'd never have really gotten to know each other. At least there's one advantage of no more Algebra: NO MORE CARRY!! Feliz hope to see you next year. Softball lives.
Love
Susan
(683-8580)

Dear Julie,
It was really great meeting you this year. Gym was always my favorite class (as you know) Dee, Dee. I let you make it through and have a great summer. See ya next year.
Luv ya,
Andrea

Dear Julie, It's been a fun year. Well thanks for "coming" to Mrs. Wood's class. I'll miss you. A deep dark secret: I'm happy we got a C. Anyway, I'm super happy and I wish you'll become friends and I know it will last. But psychic powers must run in the family. Have a great summer.
Jennifer

Dear Julita,
You are a sweet girl with good brain + athletic ability. I'm not taking Spanish next year, but I know i'll see you around.
Have a good summer,
Love,
Bobby

To Julie,
I'm really glad that we've gotten together this year and become friends. Have a really great summer and keep in touch! Love, Mindy

To Julie,
You a really nice person and I'm glad were in H.R. together (even though it's boring as hell). Have a great summer and I'll see ya next year. Love, Harriet

Dear Julie,
I hope you have a good year next year maybe you should study Next year so you won't have to cheat!! Just kidding you really are a very nice girl, and one of the smartest students in Spanish class. Have a good summer
Love
Eddy K

Julie,
well, what can I say? It's hard to write in yearbooks, but since you're such a nice kid... I'm sure glad you were in Spanish because around here I don't think I could have stood it all year, and Tennis practice would have been the same without you. You're a great kid & I hope you have a great senior year. Enjoy it! (while you can)
Keep in touch.
Love,
Kathy

Julie,
You're a great girl. You've always been sweet to me. What else could I think of you? Stay as you are, but fall in love!
Very Truly Yours,
David

Dear Julie,

Well I guess the best place to begin is at the begining! Last year (10th grade) I would say "Hello" to you at your locker every morning! Things really change hah? Then Kim and I became good friends and from that our friendship resolved. Eventually we began to make plans and I'm really glad we did. I'll never forget that day in Florida that I spent with you— it made my trip a hell of a lot better! Julie I think your a really sweet person and you really are capable of being a good friend. Thanx for listening to all my problems about Ben and sharing good times. We still have to make it to Rocky Horror and at least once more to 2002. I'm really glad that Tommy and you became good friends because if you can't have a relationship - What the hell is better than a friendship? I really hope our friendship grows stronger than it already is! your a good person and don't let anyone tell you any different — And don't worry "Mr. Wonderful" is right around the corner. I Hope we are in alot of classes next year! Let's keep in touch over the summer!

Love Ya Always.

Marcy Blummer

Julie,

Lets see... where should I start? I'm glad you gave me all period to write this!

I've only known you for a short time, I guess its not really that short, but anyhow you're a really special person and I'm glad we're friends. You're the only person who constantly has a (non-stop) smile, which can really brighten a day! (Hey days) We'll have to stick together next year without Kim! Poor girl, but I guess its not her fault! Oh well. I hope you don't mind me taking up half of a page, but your letter gave me a whole page for next year!! Have a great summer, and I'm sure I'll see you alot. Watch out for flying softballs!

The End!

Seems like I've been here before
but I can't remember when
and I've got this funny feeling
that we'll all be together again.

There's a lady who's sure all that
Glitters is gold
And she's buying a stairway to heaven
And when she gets there she knows
If the stores are all closed
With a word she can get what she came for

There's a sign on the wall
But she wants to be sure
Cause you know sometimes words have
Two meanings
In a tree by the brook there's a songbird
Who sings sometimes
All of our thoughts are misgiven

There's a feeling I get when I look
To the west
And my spirit is crying for leaving
In my thoughts I have seen rings of smoke
Through the trees
And the voices of those who stand looking

And it's whispered that soon if we all
Call the tune
Then the piper will lead us to reason
And a new day will dawn for those
Who stand long
And the forests will echo with laughter

And it makes me wonder

If there's a bustle in your hedgerow
Don't be alarmed now
It's just a spring clean for the May-Queen
Yes there are two paths you can go by
But in the long run
There's still time to change the road you're on.

Your head is humming and it won't go
— In case you don't know
The piper's calling you to join him
Dear lady can you hear the wind blow
And did you know
Your stairway lies on the whispering wind

And as we wind on down the road
Our shadows taller than our soul
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold
And if you listen very hard
The tune will come to you at last
When all are one and one is all
To be a rock and not to roll

— Jimmy Page and Robert Plant

John Bonham

magine there's no heaven
t's easy if you try
No hell below us
Above us only sky
magine all the people
Livin' for today

magine there's no countries
t isn't hard to do
Nothing to kill or die for
And no religion too
magine all the people
Livin' life in peace

You may say I'm a dreamer
But I'm not the only one
hope some day you join us
And the world will be as one

magine no possession
wonder if you can
No need for greed or hunger
A brotherhood of man
magine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
hope some day you join us
And the world will live as one

— John Lennon

John Lennon

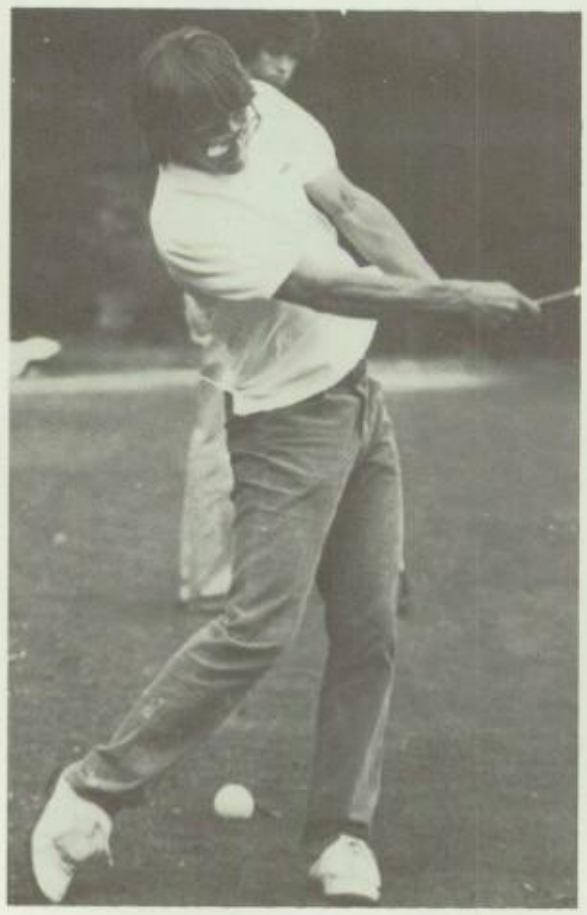
Dream is over.

Anyone growing up in the '60s who appreciated the tremendous talent of a man 30 years ahead of his time will surely mourn the loss of John Lennon.

His music touched the lives of so many of us. Gone are the hopes of a Beatles reunion. We lost a friend. What a shame. The dream is over.

SPORTS

EVENTS



Drums sounded throughout the auditorium as the Fall Festival got underway. Dressed in green and white, students rallied along with the cheerleaders, majorettes and dragonettes. Following the assembly, the eager crowd watched a Steeler movie in anticipation for a similar victory against their oppo nent, Langley. One thing was obvious, the rain didn't dampe the school spirit that the crowd felt for the team.

Renaissance Club

The Allderdice Renaissance Clu is an art and travel club. In May, th Renaissance Club takes a trip to major city. In the past, the Renais sance Club has visited Toronto Washington, D.C., and New York.

Archery Club

The Archery Club meets regularly for the sole purpose of taking cheap shots at one another. Through this group, we have learned such skills as aiming, shooting and ducking. This picture also serves as a practice target. Simply cut it out, rearrange the faces, and . . . shoot.

Yeabook Staff

Although the yearbook staff looks quite large, there were actually very few *real* staff members. We spent 7th period every day trying to beat our deadlines and other unimportant activities. The rest of these people are imposters believed to have been sent to sabotage the yearbook.

One common feeling held us together — no matter how much else we had to do, we *never* let the yearbook get in our way. We all had a great time, but this sure wasn't it. Through both minor and major catastrophes, *we made it!!!*

SAB Tutoring Club

Stupidity is a rather common trait among members of the SAB tutoring club. The desire to rid themselves of much of their stupidity has prompted some of the students in AP calculus and AP chemistry to form the tutoring club. When the going gets tough at TAYLOR ALLDERICE, the club gets paranoid. This leads to one of the *many* club meetings held throughout the year. Club members listen intensely with their mouths open and tongues hanging out as club tutor, *Craig Sable,* enlightens their minds. After a session, club members have been known to say, "Golly SAB, I feel really stupid," or "Gee SAB, I still don't understand." Club members are more than ready to go ace their calculus or chemistry test after a meeting.

Row 1: Arthur Laby, Jimmy Rosenberg. Row 2: Brian Beerman, Paula Tomasovich, Eddie Rosenstein, Eric Hoechstetter, Joe Waldholtz. Row 3: Simone Myers, Craig Sable, Linda Isaacson. Missing: (Must be studying) — Linda Kimicata, Robin Sadja, Nancy Stephen.

Julie,
This year has been
great w/ you in
Spanish, U.S., & Physics
You've always had something
nice to say. And You've always
listened. Please remember we
& all true friends have good & bad days!
be so unforgiveing about
yourself. Think positive!
Have a good summer and
see ya next year when
we're SENIORS!!
Love ya lots!

Julie,
Well next year you're
going to be a big senior,
how does it feel? I'm really
glad that I met you this
year, cause you're a really sweet
& nice girl. I hope we can get
to be closer & have a really fun

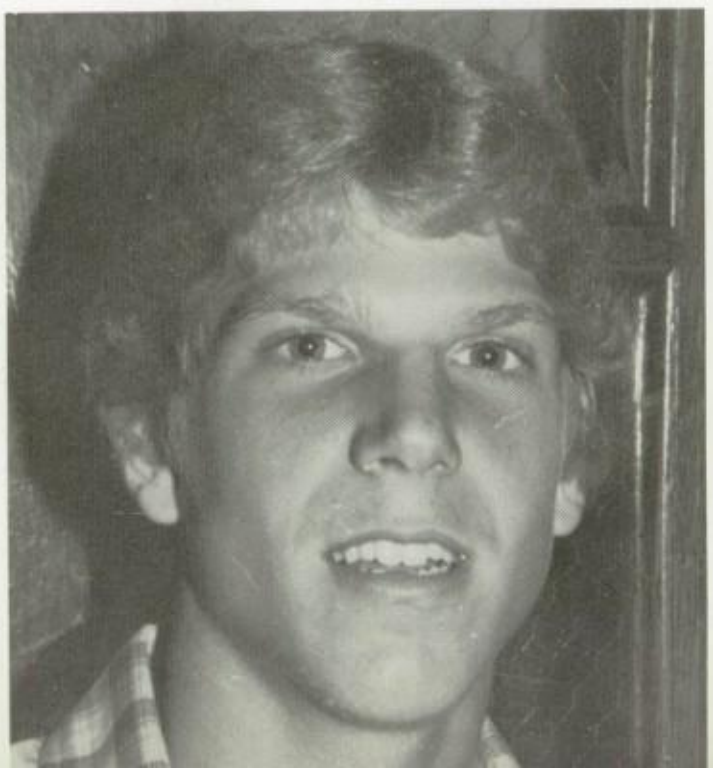
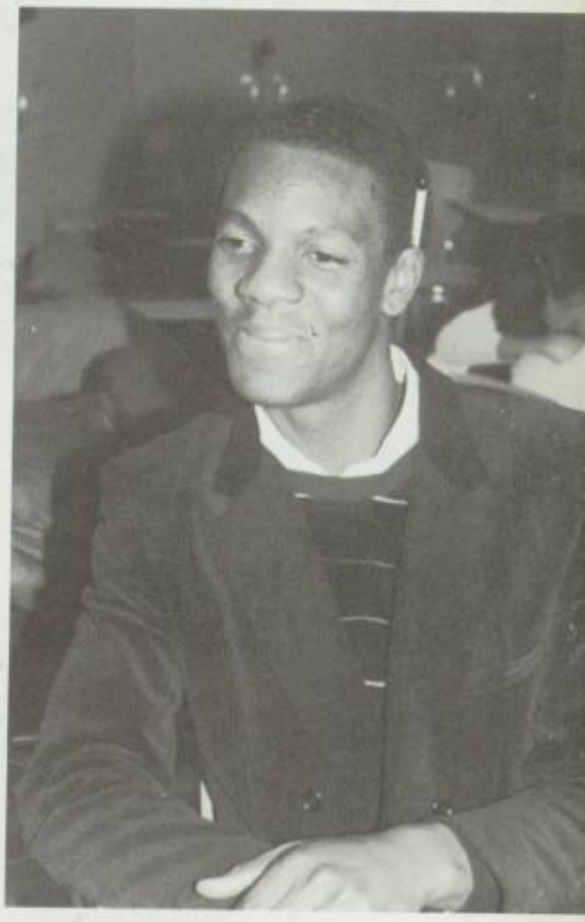
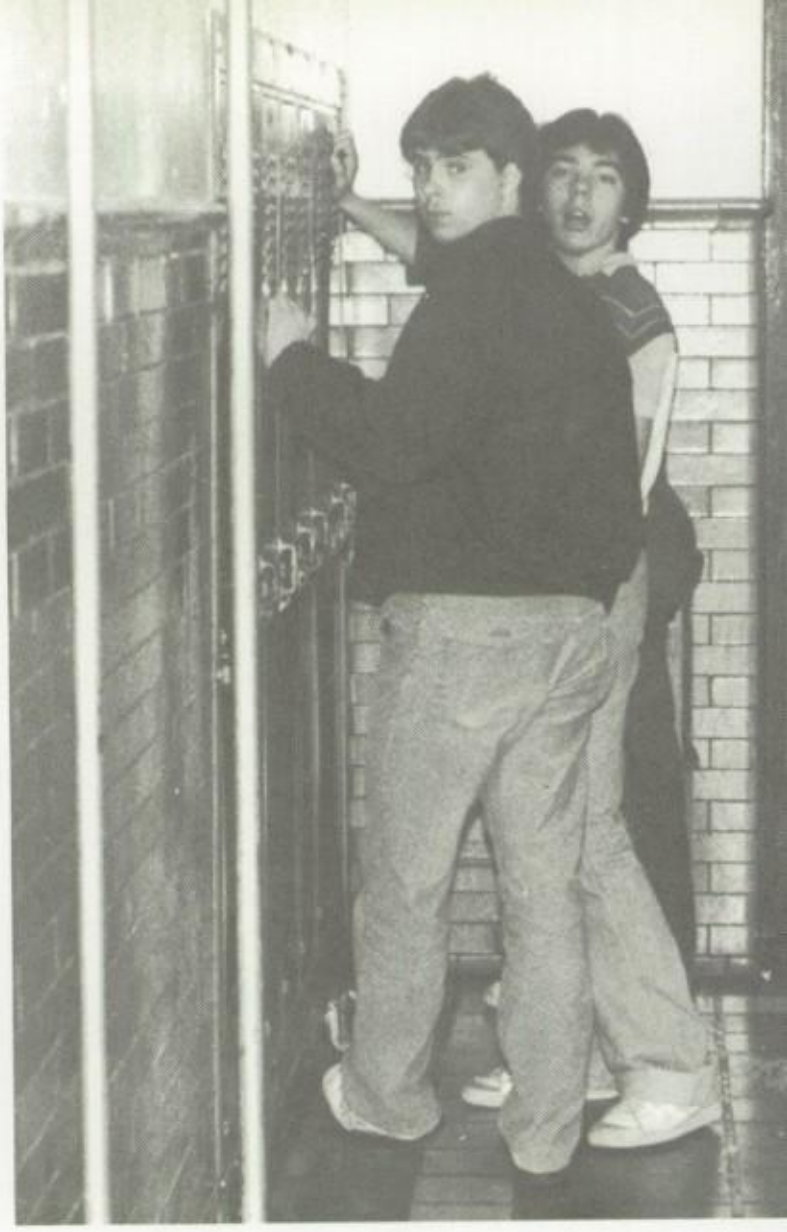
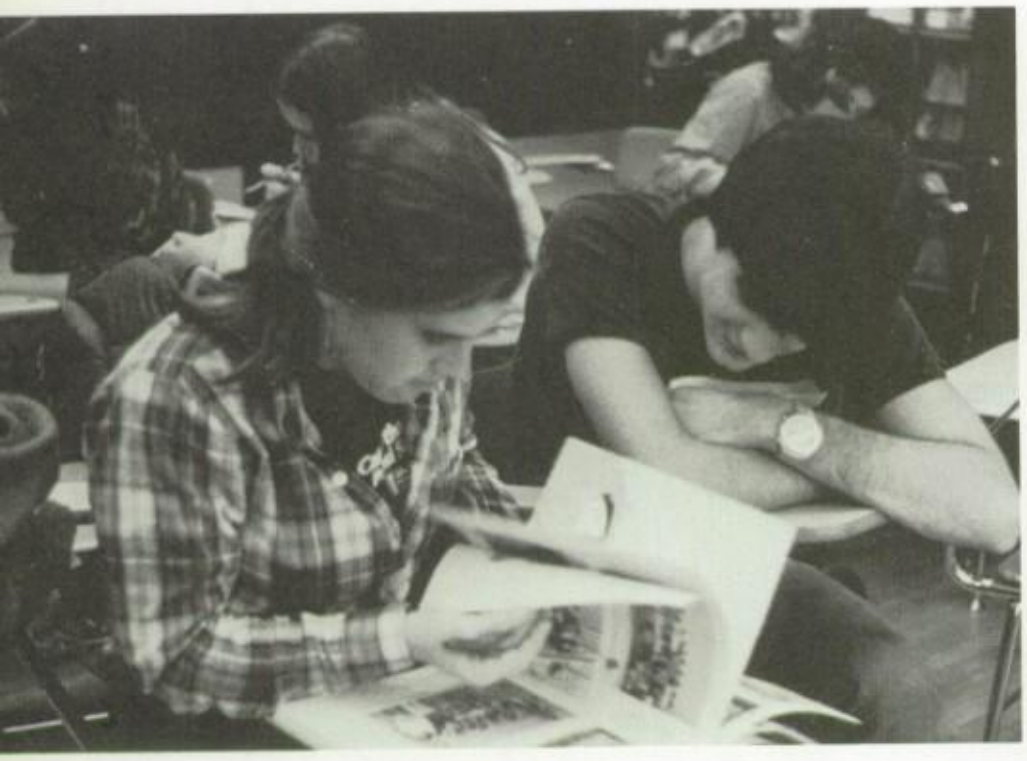
FINAL



WORDS







Suddenly, it's so hard to find
the sound of the words
to speak her troubled mind.
There's a train every day
leaving either way,
there's a world you know,
there's a way to go.
And you'll soon be gone,
it's just as well.
This is my opening farewell.

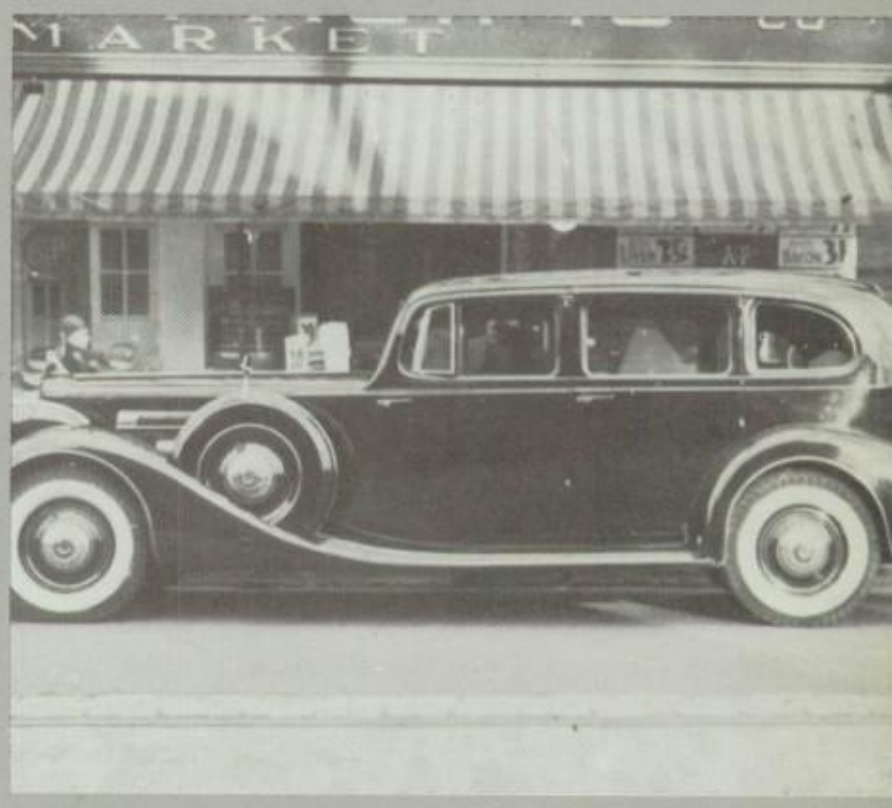
Bet'cha couldn't tell that this is the corner of Darlington and Murray!

not too far away



Getting psyched for the "big game" against Carrick.

Seems to me a crime
that we should age,

What's the matter buddy, ain't you heard of my school?
It's number one in the state
So be true to your school,
just like you would to your girl or guy
Be true to your school now,
and let your colors fly . . .

Julie
It's been great playing ball with you these 4 years - I'll never forget the times we've had. Get me told you Miss Folger has been tons of fun - literally! Oh well - 3 down - 1 to go. Soon we will be seniors - I can't believe it. It seems like just yesterday when we killed Lisa in the pool!
Summer.

Have a great Summer

Tomorrow is the most important thing in life.
Comes into us at midnight very clean. It's
perfect when it arrives and puts itself in
our hands. It hopes we've learned something
from yesterday.
— John Wayne

On September 6, 1977, a new freshman class entered Allderdice . . . each of us bringing our own strengths, weaknesses, goals, fears and dreams; we became the graduating class of 1981.

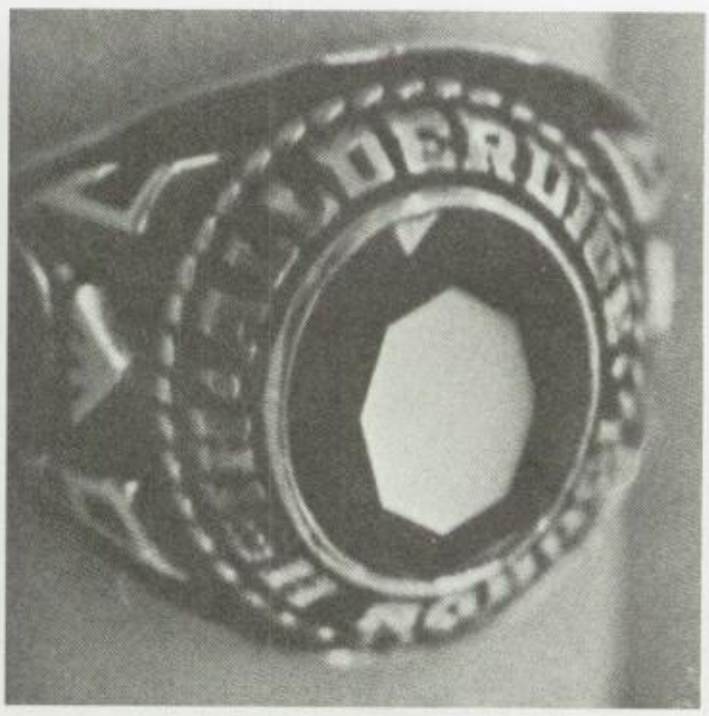
A great deal has happened since that fall day. We endured Jimmy Carter's term as president and saw it end on a day that will go down in history. Ronald Reagan's inauguration and the return of the American hostages was a time in our senior year that none of us will ever forget.

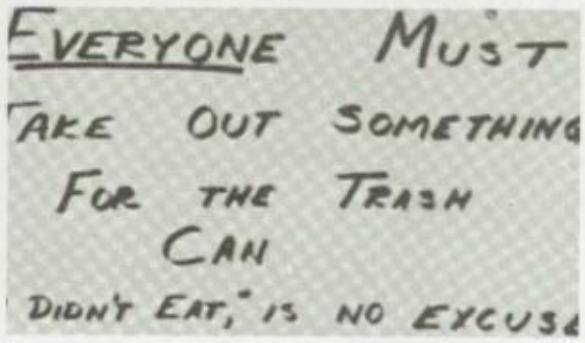
We were saddened by the deaths of such people as John Wayne, Bing Crosby, John Lennon, Hubert Humphrey, Golda Meir, two Popes, and our own Mr. Wells, to name a few.

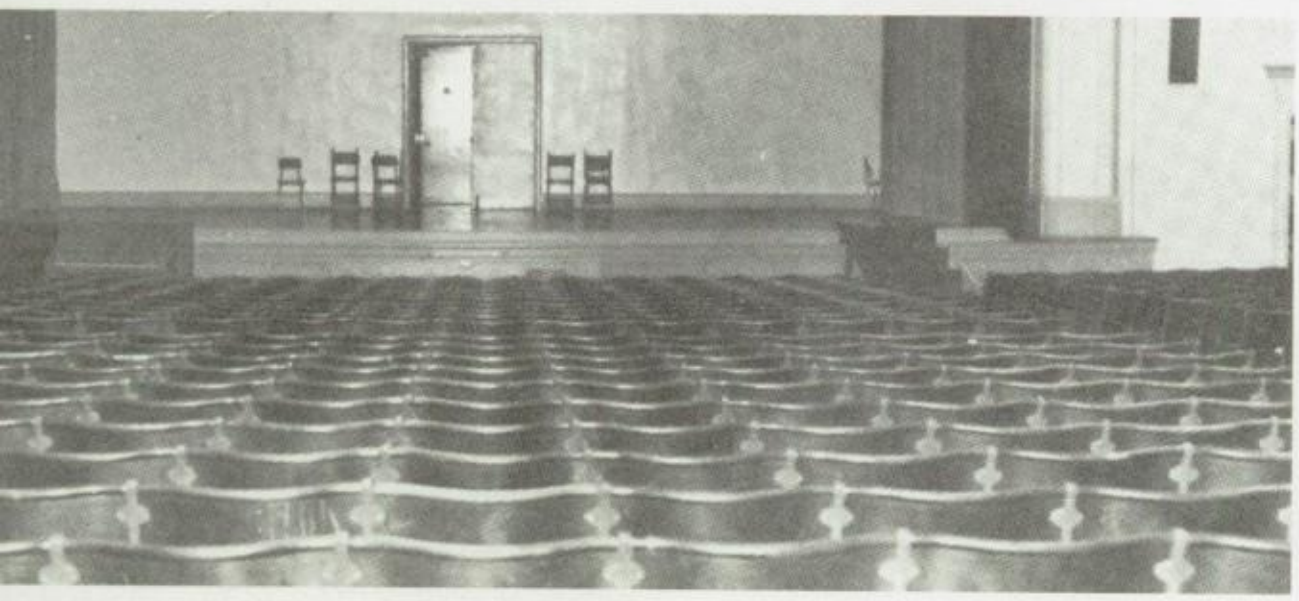
We now look back on the past four years with both tears and smiles. We are happy to be moving on, yet sad to be leaving a part of ourselves behind.

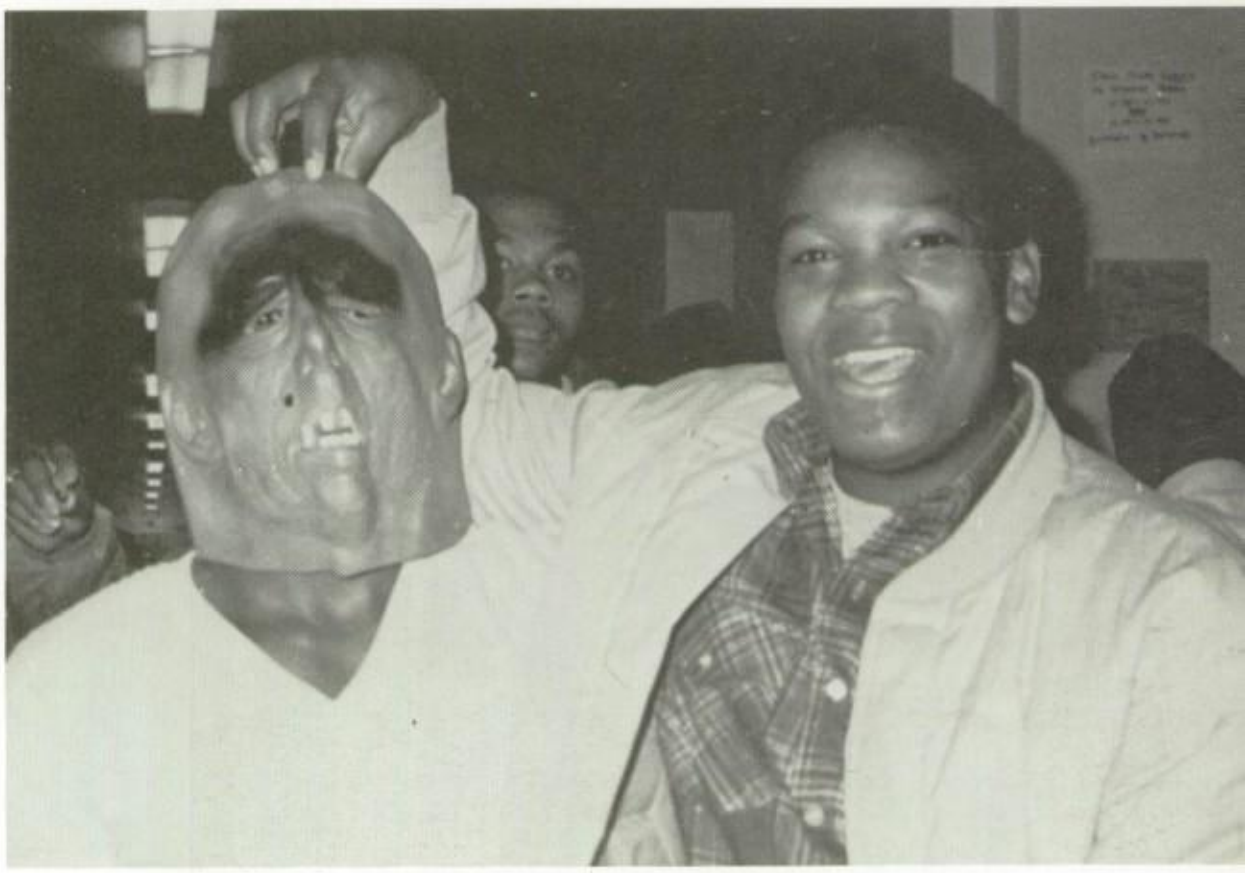
Though four years older, we still have strengths, weaknesses, goals, fears and dreams. They may have changed, but deep down inside, we have not.

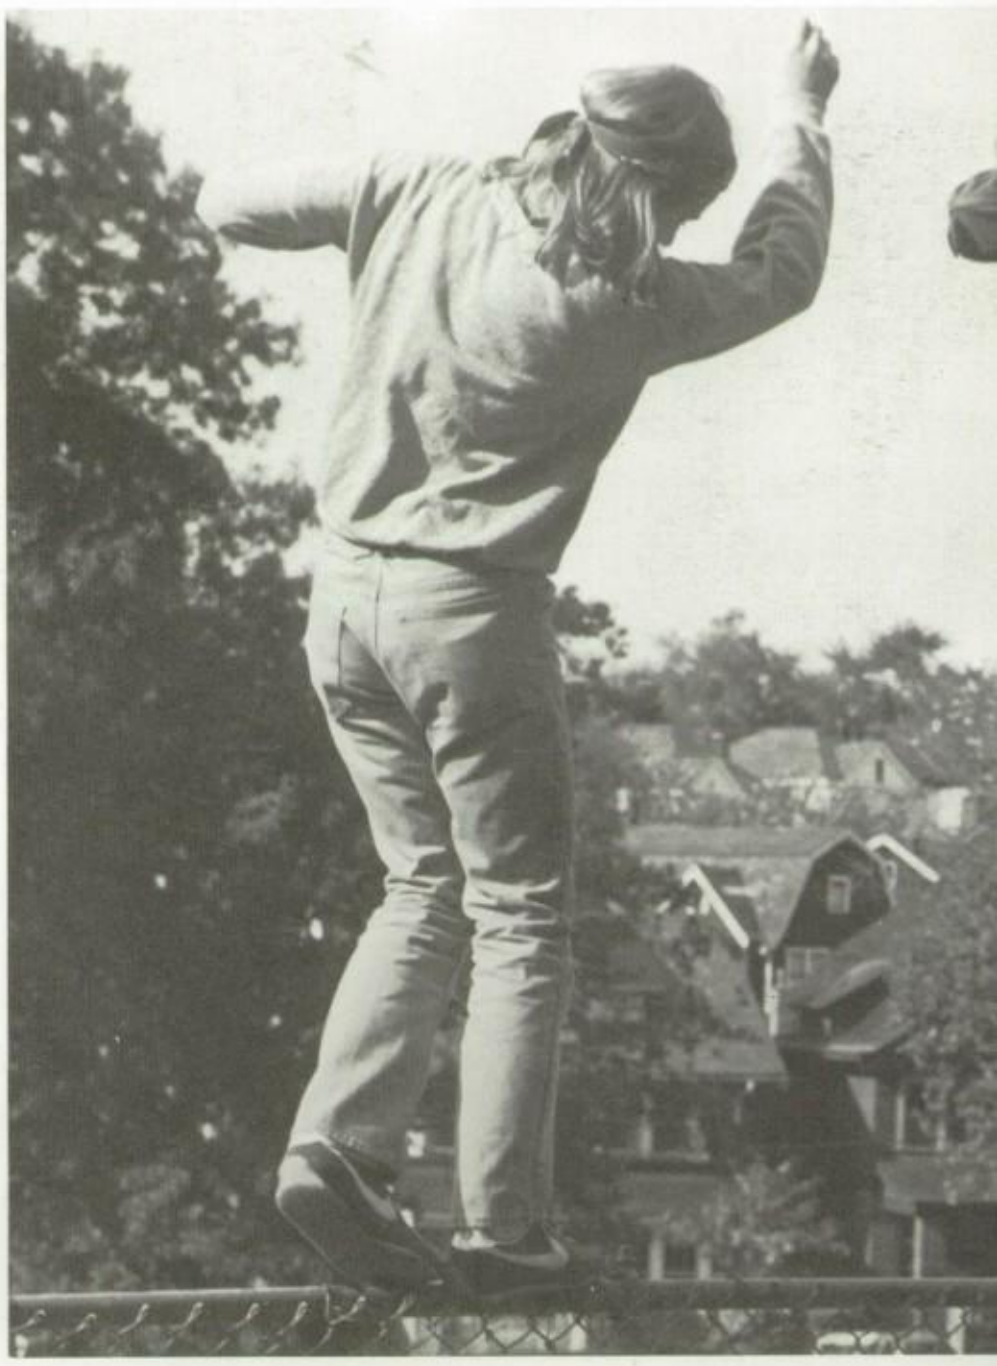
— Joan Elovitz





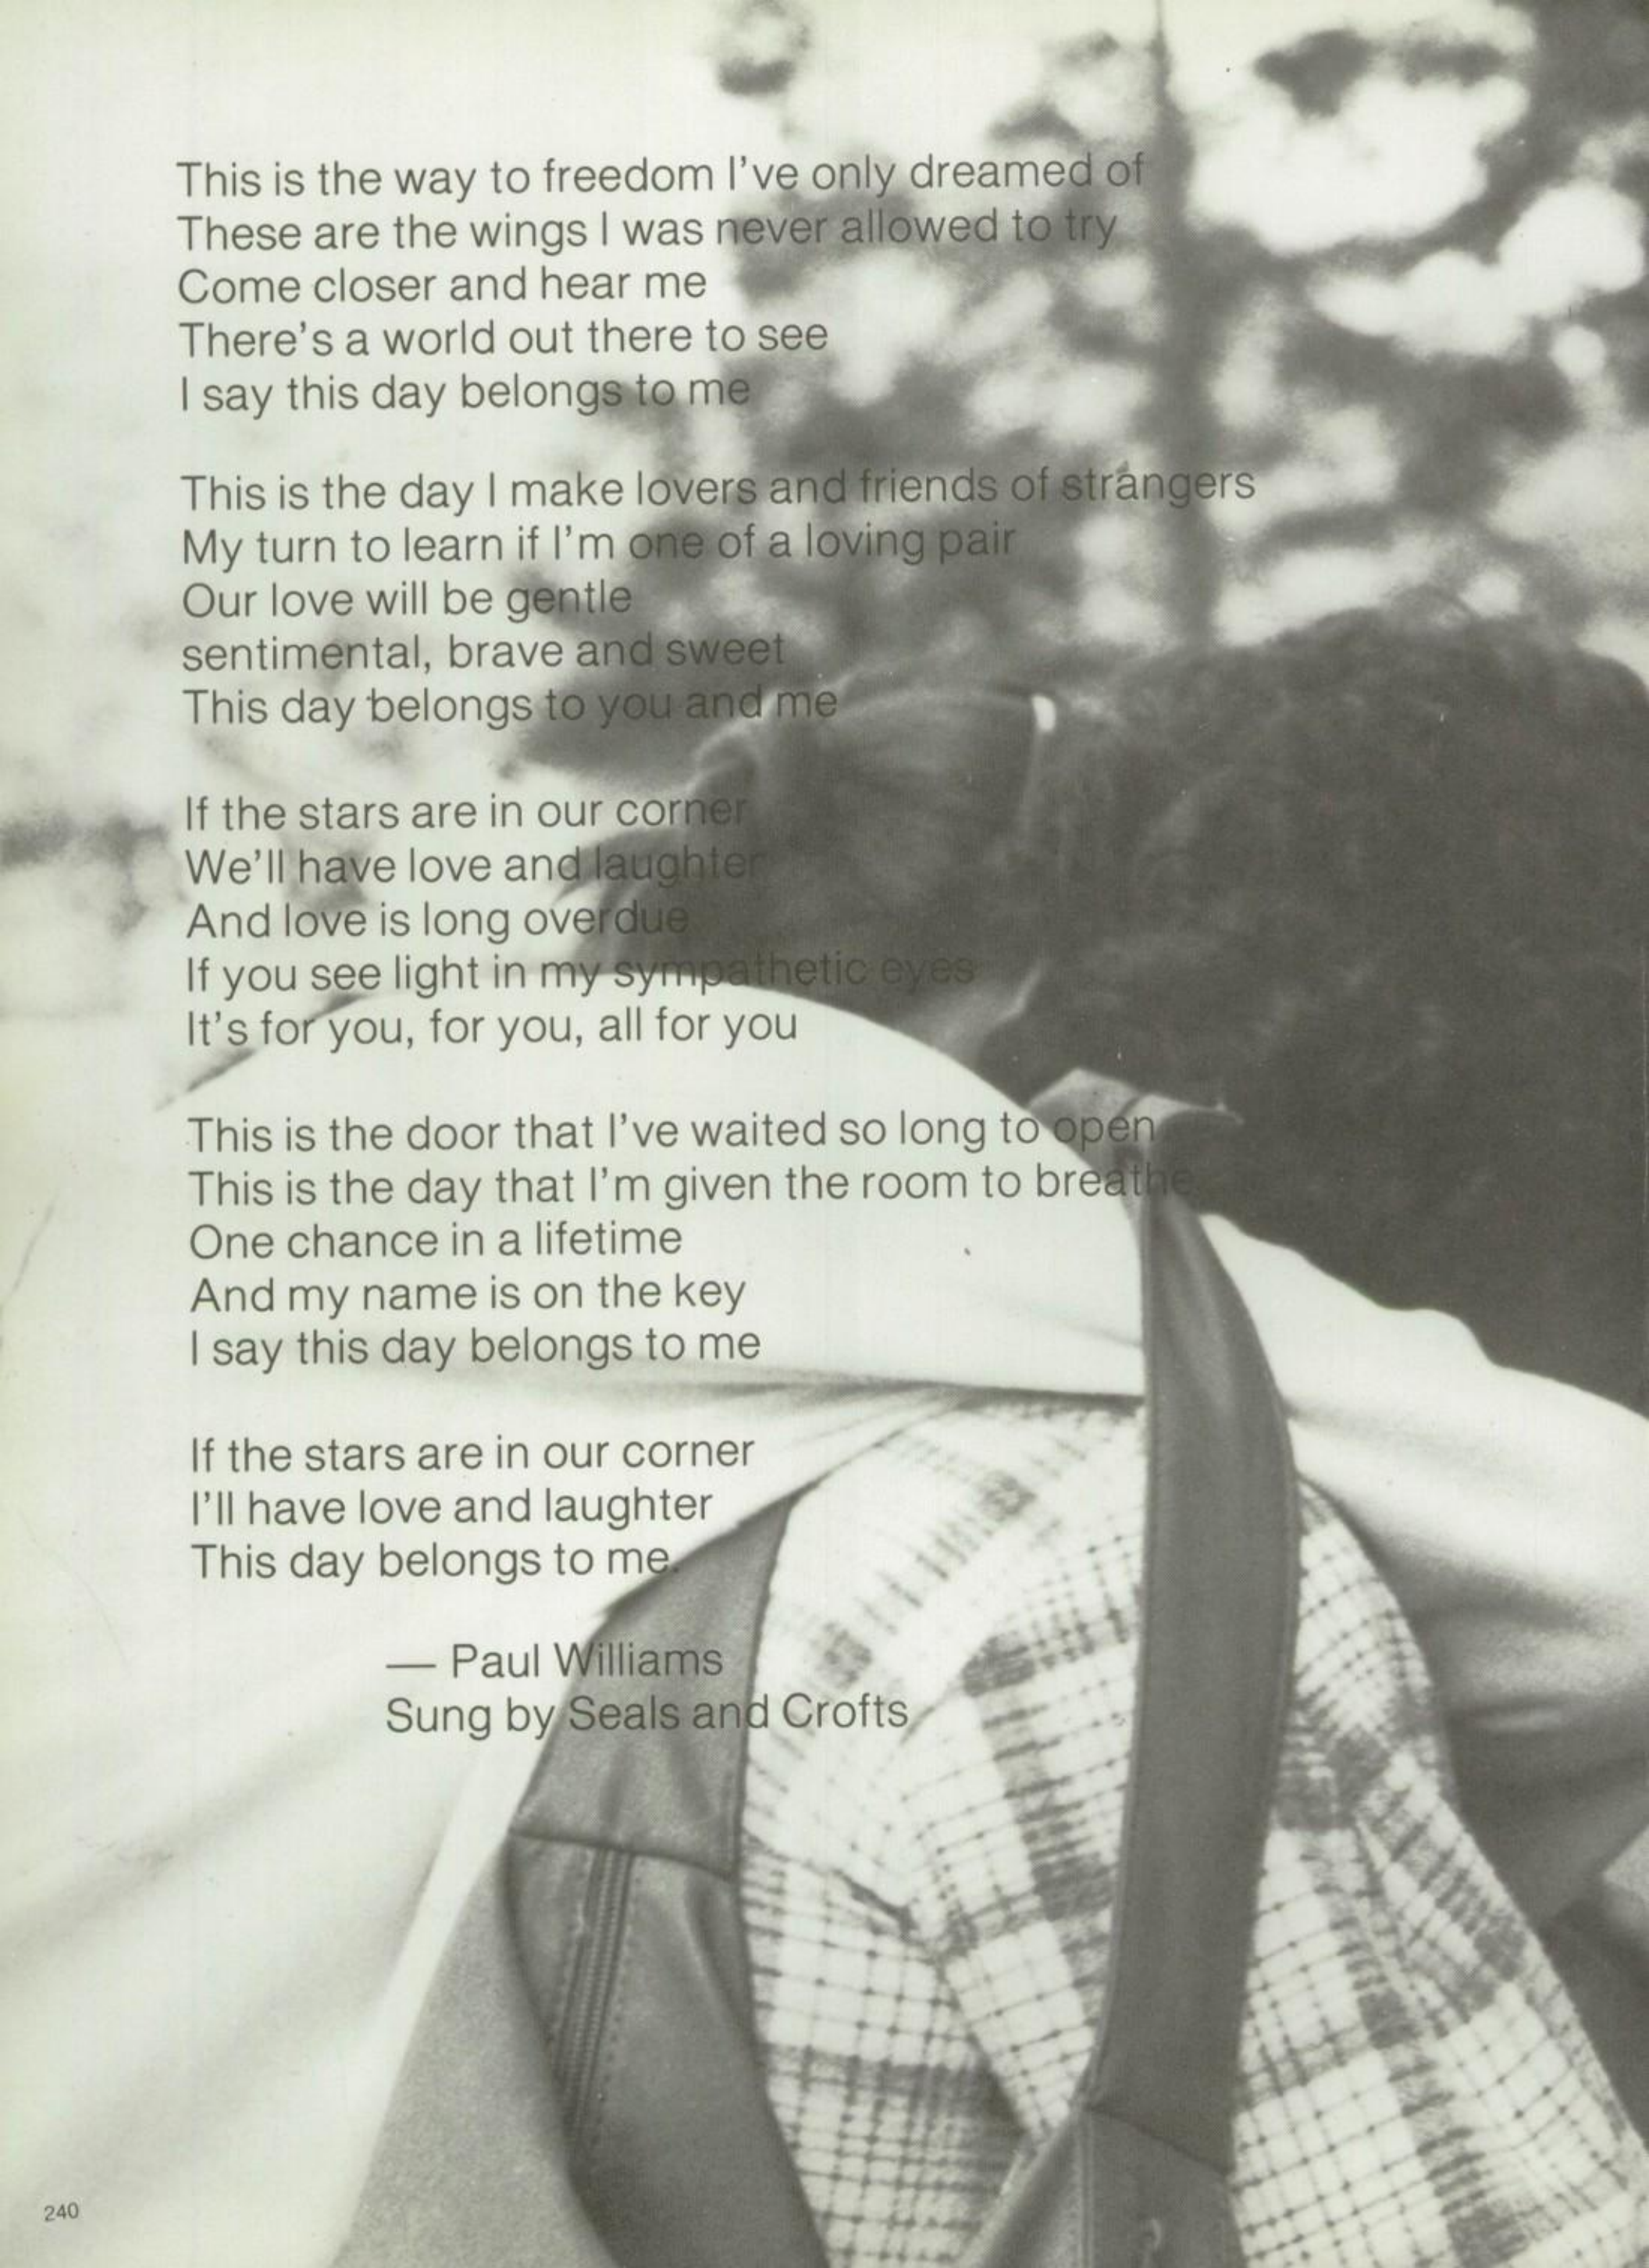






So, before we end and then begin
We'll drink a toast to how it's been
A few more hours to be complete,
A few more nights on satin sheets
A few more times that I can say,
I've loved these days . . .

— Billy Joel



This is the way to freedom I've only dreamed of
These are the wings I was never allowed to try
Come closer and hear me
There's a world out there to see
I say this day belongs to me

This is the day I make lovers and friends of strangers
My turn to learn if I'm one of a loving pair
Our love will be gentle
sentimental, brave and sweet
This day belongs to you and me

If the stars are in our corner
We'll have love and laughter
And love is long overdue
If you see light in my sympathetic eyes
It's for you, for you, all for you

This is the door that I've waited so long to open
This is the day that I'm given the room to breathe
One chance in a lifetime
And my name is on the key
I say this day belongs to me

If the stars are in our corner
I'll have love and laughter
This day belongs to me.

Dear Julie,

This past year knowing you and becoming friends with you has been wonderful. You were a great alternative to Mr. Folger's boring lectures. Hope that I will see you alot next year and that our friendship will uphold. You can call me whenever you need a friend or whenever you WANT TO. My no. is 521-5437

Love,
Mark

Julie,

Hey, Ive known you forever and actually if you think about it weve been thru alot together since what? 1st grade? Anyways- Im just really glad that we are starting to become friends again and maybe we can become closer. You are a great girl and if you ever need anyone to talk to, Im here.

Love always,
Jane

Dear Julie,

When I first arrived at Gilbert Junior High I was really lonely. I was afraid I wouldn't make any friends at home and I thought I'd be lonely for the rest of my life. But you and I became friends and I thank you for it!

Your friend,
Jon

Dear Julie,

What can I say
We have been friends
for so long/we've shared
so many good times &
your one of my best friends and
always will be! We have gone from being
skinny together to chubby now one of us
skinny and one isn't. We won't say which
you've always been there for me when
I can't say for
be here when you need me. To summ this up - You are a
great friend and our friendship will last forever.
Love always
Stacey

Dear Julie,

I'm really glad we got to be
friends this year, and will keep in
touch over the summer. Good luck
to my favorite Spanish interpreter.
Remember all the great times we
had in Spanish class (sure)
Love
Lori

Dear Julie,

Its been fun having
you in physics [and gym + health] our famous disappearing
physics class has had a pretty
wild ~~this~~ year ... ! Thank god this
test coming up in about 5 minutes is
our last [until the dreaded final which
I will certainly fail with flying colors!]
Oh well who cares, right? I'm glad we
got to know each other this year -
have a great summer.

Love, Jew

PS. (Sorry this is so messy, but my
hand is shaking because its
nervous over the damn Physics test
coming up!)

What can I say
that would even begin
to compare with the three
years we've shared here at
Alldendorf. It's been great
spending time with you
at Softball and Anywhere else.
Good luck in
all ways

Julie,
I feel so very privliged to be the first person to sign your yearbook! I'm really glad we've gotten to know eachother over the last three years, both in classes and in softball! (although softball is defenately more fun than classes) We've had a lot of good times lets have some more - especially at the softball picnic! Have fun in Florida. I'll see you next year. Maybe we can win cities! If you get back from Florida before school starts give me a call. 421-6068 Love, Kathy

Julie,
Its been a great year & I'm really glad we had classes together even if they were overd borders! Its about time we're friends again Keep in touch over the summer and I'll see ya next year. 421-7640
Good Luck w/ your casts & have fun in Florida!
Love always,
Andrea

Julie
It's been another great year (Thank GOD it went fast) homeroom is always fun; except when were too tired or bagged down with homework.
I'll See you next year, same time, same place
(unfortunately)
Love,
Jenny

Dear Julie,
I'm glad I really got to know you this year. That sounds so cliché, but I really mean it. I hope we have classes together next year. Have a great summer!
Love,
Julia
